2 Big Ass Fans Haiku Adds LED Light

Big Ass Fans has added an LED light module to its popular Haiku ceiling fan, adding to its Energy Star rating. The module sports a digital dimmer with 16 increments of brightness; its maximum brightness is that of a 100W bulb while only consuming 20W. The lifespan of the LED bulb is 50,000 hours, or about 17 years. Both translucent and smoky lenses are available with every fan. The fan itself features 10 settings.

5 Henlow Square Inset Door

The Henlow Square Inset door is a new cope and tenon door from Wellborn Cabinets. The design is similar to Wellborn's Rose Hall Square Inset, with a solid wood reverse raised center panel instead of a flat center panel. A slab drawer front top drawer is standard, with an optional classic drawer front. Finishes include Cherry, Character Cherry, Maple, Character Maple, Oak, and Hickory. Henlow Square Inset is available in Wellborn's Estate Custom and Elegant Bath collections.
