1] Made in California, the Metropole pull-down faucet from **Newport Brass** comes with a high-powered magnetic docking system to secure the hand spray to the spout so it always rests back in place after use. Other features include a two-function toggle-control spray engine; pivoting-ball spray engine inlet fitting for better directional control; solid brass construction; and swivel spout with a side-mounted ADA-compliant lever handle. Also available: matching water dispenser, air-gap cover, and deck- or wall-mounted pot filler. newportbrassfaucets.com For more information, **No. 805 on reader service card**

2] **Blanco** has eight new dual finishes for its contemporary-look Sonoma pull-down faucet, which now comes in two CalGreen (1.8 gallons per minute and 1.5 gpm) water-saving models as well as the standard 2.2 gpm model. Reversible mounting hardware adapts to thick or thin mounting surfaces. Blanco has also expanded its line of decorative soap dispensers to match the Artona kitchen faucet. They feature a convenient elongated spout and are available in a chrome or stainless finish, and six dual finishes. blancoamerica.com **No. 806**

3] **California Faucets** has added two sleek, streamlined semi-professional faucets to its Culinary Series: Corsano Culinary (shown)

and Poetto Culinary, along with a selection of coordinating accessories (pull-down prep/bar faucet, hot/cold water dispenser, and more), and the ability to customize the finish of the faucets' coiled outer spring in a choice of 15 finishes. Poetto has a slightly more streamlined look and a choice of four handle designs; Corsano sits atop a robust base and features a selection of stick and blade handle options. californiafaucets.com **No. 807**

4] **MCN European Enterprises'** latest collection, Extend, offers a minimalist look and strong geometric lines. The collection features a variety of pieces to create a coordinated look, including a Roman tub set with hand-held shower, a tub spout, and a variety of hardware for pressure-balanced and thermostatic showers. Each piece is available in three finishes: polished chrome, brushed nickel, and polished nickel. mcnfaucets.com **No. 808**

5] The Waterfall tub filler from **Vola** works in concert with the company's thermostatic mixer and hand shower to create a sleek, contemporary look in the bath. Though the 10⁵/₈-inch-wide tub filler is slim and unobtrusive, its high flow ensures the tub fills quickly. The filler is available in any of Vola's colors or finishes through Hastings Tile & Bath or its authorized dealers. hastingsstilebath.com **No. 809**
