24 Italian-inspired Cabinet Hardware

Ashley Norton's new line of cabinet hardware, Manzoni, is designed and crafted in Italy and offered in two distinct collections: Urban and Classical. Designs have been created with Italian elegance and flair, to make a distinctive statement. The company's manufacturing expertise allows it to create a product that is pleasing to the eye and comfortable to touch.

25 Low-profile Drawer Pulls

The sleek lines and simplistic shape of **Atlas Homewares'** Tab Pull Collection features low-profile pulls mounted behind the cabinet or drawer so all that is visible when closed is the actual tab. The tab pulls come in finishes including brushed nickel, matte black, high-gloss white, polished chrome or matte chrome. All pulls have a width of 3/4 in., a projection of 1 3/4 in. and are available in lengths of 1 1/2, 5.15, 9.6 and 15.4 in.

26 Tower Bridge Series Hardware

Part of the Passport Collection from **Top Knobs**, the Tower Bridge Series was inspired by the Victorian Gothic architecture of the famed bridge in London. The collection showcases the bascule bridge's iron works. The Tower Bridge Series is available in five finishes, including brushed satin nickel, polished chrome, polished nickel, pewter antique and umbrio. The series is available in four sizes and in two styles.

27 Collection with Living Finishes

The Ornate Collection from **Alno** features detailed filigree at the top. Because the hardware is handmade and hand finished, each piece may have slight variations in color. Over time, the living finishes may patina by use or rub off, and coloration will change in a natural process enhancing the cabinet hardware's unique beauty.

28 Clean-edged Hardware

The new Jeffrey Alexander Marvella collection from **Hardware Resources** features clean, dominant edges, along with a diamond scroll emblem. The hardware is available in four finishes: antique brushed satin brass, bright nickel brushed with dull lacquer, dark brushed antique copper and satin nickel.
