Bathroom Sinks

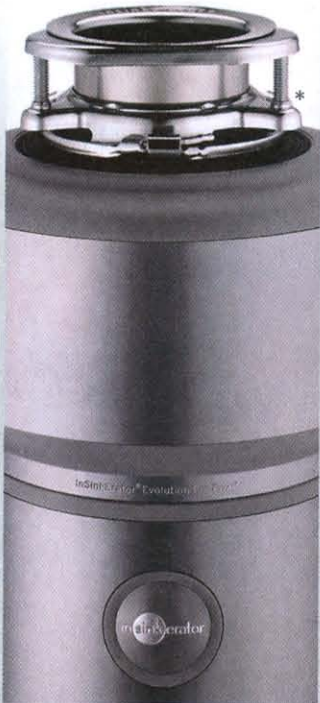

How one plant can power another.

Food waste sent to a capable wastewater treatment plant via a disposer can be recycled into renewable energy to help power the plant or other facilities. (Check the plant in your area.)

1. The unique Verrio vessel lavatory from Diamond Spas features an integrated towel bar for a minimalistic look. Measuring 30 by 19 by 4 in., it is also available in copper.

Diamond Spas. Circle 81

2. The SX3 fireclay collection is a sleek lavatory from Sonia. The washbasin comes in dimensions of 31, 39 and 47 in. to make it ideal for small bathrooms.

Sonia America. Circle 82

3. The Stone Forest Siena Collection is hand-carved from rare blocks of Siena Silver-Grey marble. This collection offers simple geometric shapes with select pieces featuring alder wood inlays. Included are sinks, a bathtub, a lounge, a bench, a makeup table and a vanity.

Stone Forest. Circle 83

4. Kohler expands the Persuade collection with a one-piece lavatory, a petite vanity, a full-height vanity and a console table. The lavatory fits any standard 25- by 22-in. vanity making it ideal for retrofit and new construction.

Kohler. Circle 84

5. Laufen introduces new additions to their Palomba Collection including three standard-sized and one small washbasin. The new styles are called Organic, Soft and Pure. The new "pure" washbasin is available in three sizes: washbasin 10 in 600 x 500 mm, washbasin 11 in 650 x 500 mm and the small washbasin 09 in 450 x 365 mm.

Laufen Bathrooms. Circle 85

6. Gerber has enhanced its Wicker Park bathroom suite with three new product additions to include high-efficiency toilets, and self-rimming and wall-hung lavatories. The lavatories offer expanded deck space, washbasins with 8-in. centers, and is available in white.
