## Mid-term Makeover

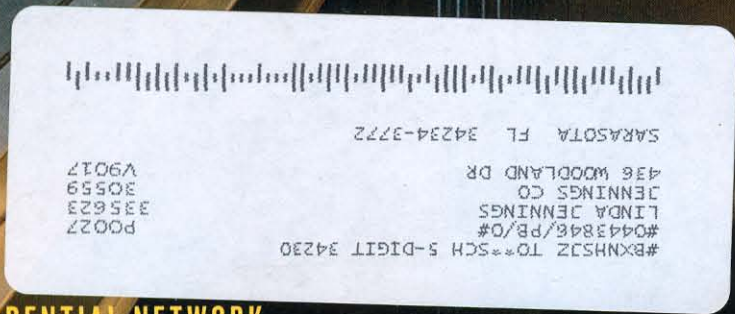

An L.A. accountant's office welcomes high-profile clients to a brightly renovated space

### Remodelers' Choice 100:

View the top products readers inquired about during the past 12 months

**HOME PERFORMANCE:**  
Choose from three options to achieve attic efficiency

**FINANCIAL SOLUTIONS:**  
Understand FHA's 203(k) renovation loan

## 28 Ocean Inspiration

**ThinkGlass** offers glass kitchen countertops, backsplashes and raised bars. Its exclusive technology can make unique kitchen countertops in thicknesses of 1 1/2 inches or more. These countertops come with a smooth, glossy finish and a choice of embedded textures that can be infused with color. **Circle 42**

## 30 Platon

**CertainTeed Corp.**'s Platon is a durable, environmentally responsible HDPE membrane with double-dimpled construction that keeps soil away from the foundation and provides a waterproof barrier to control interior and exterior moisture. Used in residential and light-commercial projects, Platon bridges 1/4-inch foundation cracks and works even if a wall shifts, cracks or settles. **Circle 44**

## 29 EnergyComplete

**Owens Corning** has released EnergyComplete with Flexible Seal Technology, a whole-home insulation and air-sealing system. The system uses a new foam-based sealant to reduce air infiltration by 70 percent and PINK Fiberglas insulation to add a blanket of coverage. The foam sealant, which can be sprayed into ceiling and floor

penetrations and around ductwork and construction joints, sets in 20 minutes. **Circle 43**

## 31 Metallics

The Metallics line from **DuPont Corian** includes 10 new colors: aqualite, azurite, bronzite, copperite, graylite, olivite, silverite and sorrel. Each color features silver or gold metallic accents. **Circle 45**

## 32 FASTtrack Porch Screening System

The **Screen Tight** FASTtrack Porch Screening System includes two-piece 1- by 2-inch self-mating channels and molded clips. The channels hide the clips while allowing different configurations, including a railing system, vertical mill posts and horizontal rails. **Circle 46**
