A Strong Attachment to History

Preserving the historic
integrity and character of an
Illinois home was imperative

19 Two-bather Whirlpool

Diamond Spas' stainless-steel under-mounted whirlpool bathtub features a mid-contoured bottom and a slight rise under the knee for added comfort. The tub, which is 42-inches wide, 72-inches long and 22-inches deep, is designed for two bathers with a sloped back on each end of the bath.

23 Cast-iron Whirlpool

Kallista's For Town by Michael S. Smith Cast Iron Whirlpool has a variable-speed pump with 18 settings. Available as a drop-in or undermount installation, the whirl-

pool's in-line heater maintains water temperature while six hydro-massage flex jets are independently adjustable. The whirlpool also includes a lighted 2 1/2-inch keypad, floating remote control and color-matched jet trim kit.

20 Hydrotherapy Tub

Aquatic has released the Starla acrylic, drop-in hydrotherapy tub that fits in standard 60-inch bathing alcoves. At 57-inches long, 38-inches wide and 24-inches deep, the oval tub is available as a soaker or a whirlpool with eight adjustable jets that target the hips, legs, back and feet. It also features sculpted armrests, an oversized backrest and a raised headrest.

22 Cast-acrylic Airbath

The Soirée Airbath from TOTO USA is equipped with a slip-resistant surface and solid brass grab bar with a polished chrome finish. Crafted of cast acrylic, the bath employs an air jet system, which uses 16 jets positioned to target the body's pressure points. The tapered airbath is 72-inches long, 22-inches deep, 39 1/2-inches wide at the top and 29-inches wide at the base.

21 Therapeutic Bath Emulates Back Massage

BainUltra has introduced INUA, a therapeutic bath where the motion from the water jets

emulates back massage. Other design features include armrests, a raised seat, an inverted V backrest, and a heated backrest and headrest. Three sizes are available: 72 by 40 inches, 66 by 36 inches and 60 by 36 inches.
