It's hip to be square, round, and triangular. Incorporate these shapely finds in your kitchen to make it your home's hot spot.

From fancy fretwork to faceted glass, lighting is a great place to showcase geometric shapes.

pendant light fixture

Hang the George Kovacs Alecia Necklace three-light white pendant with modular, brushed-nickel fretwork (603887; \$260). Bellacor; 877/723-5522; bellacor.com

handy hardware

Outfit cabinets and drawers with square knobs and rectangular pulls in brushed nickel from the Centinel collection (\$9.81-\$18.36). Atlas Homewares; 800/799-6755; atlashomewares.com

clean-lined cabinetry

Mix and match maple with Chiffon and Kona finishes along with a variety of storage features when you use the simple, understated Tolani collection. Merillat; 866/850-8557; merillat.com

diamondback chair

Surround a kitchen table with a set of red Juju dining chairs made from polycarbonate. The backs of these stackable seats look fabulous from all angles (03484; \$1,090/set of four). Zinc Door; 626/356-2133; zincdoor.com

linen tea towels

Display hand-screened designs, available in several classic colors (\$47 for three towels). Celina Mancurti; celinamancurti.etsy.com

white refrigerator

Store an abundance of produce in this sleek French door refrigerator in new White Ice—a modern update to a classic finish (WRF989SDAH; \$2,599). Whirlpool; 866/698-2538; whirlpool.com

Repeat similar motifs in subtle ways throughout the kitchen for a cohesive look that's still sophisticated.
