Gerber has enhanced its Wicker Park bathroom suite with three new product additions to include high-efficiency toilets, and self-rimming and wall-hung lavatories. The lavatories offer expanded deck space, wash basins with 8-in. centers, and are available in white. For more info circle #57

Laufen introduces new additions to its Palomba Collection including three standard-sized and one small washbasin. The new styles are called Organic, Soft and Pure. The new "pure" washbasin is available in three sizes: washbasin 10 in 600 by 500 mm, washbasin 11 in 650 by 500 mm and the small washbasin 09 in 450 x 365 mm. For more info circle #56

The Stone Forest Siena Collection is hand-carved from rare blocks of Siena silver-gray marble. This collection offers simple geometric shapes with select pieces featuring alder wood inlays. Included are sinks, bathtub, lounge, bench, makeup table and a vanity. For more info circle #59

Kohler expands the Persuade collection with a one-piece lavatory, a petite vanity, a full-height vanity and a console table. The lavatory fits any standard 25- by 22-in. vanity making it ideal for retrofit and new construction. For more info circle #60

The Verrio vessel lavatory from Diamond Spas features an integrated towel bar for a minimalistic look. Measuring 30 by 19 by 4 in., it is also available in copper. For more info circle #58

The SX3 fireclay collection is a sleek lavatory from Sonia. The washbasin comes in dimensions of 31, 39 and 47 in. to make it ideal for small bathrooms. For more info circle #61
