PREVIEW

Product Focus: KBIS Products

Stainless steel sink

1 Kohler introduces the Strive stainless steel kitchen sink, which comes in many configurations that include smart design features. The configurations are: Strive entertainment sink with a fitted bottom basin rack, the Strive medium and large single-basin sinks with single-basin dish cloth bar and utility shelf, the Strive double-equal basin sink with divider dish cloth bar and the Strive extra-large offset sink with extra-large basin for cleaning and soaking large cookware.

Barrett Suite HET

2 Part of Mansfield Plumbing's Barrett Suite, the new Barrett 1.28-gpf toilet reduces the amount of water used on the original model, yet retains the same 800g flushing power. The Barrett Suite is part of the company's "Affordable Style" product line ranging from traditional to contemporary designs. Matching sink and tub options are also available.

Stainless steel kitchen faucet

3 Lenova Sinks' new line of solid stainless steel kitchen faucets has a variety of models with styles ranging from sleek and modern to single-lever or dual-handle. Lead concerns are eliminated and the satin polish on the stainless surfaces ensures a good-looking faucet for its lifetime. All the faucets have ceramic disk cartridges.

Contemporary showerhead

4 Danze's Mono Chic 5"x8" showerhead is a rectangular, single-function showerhead certified by the EPA's WaterSense. The showerhead has a maximum 2 gpm flow rate at 80 psi, ensuring at least 20% water savings. The Mono Chic features Danze's Air Injection technology that infuses air into the water stream. With high-performance Neoperl flow controllers the showerhead will improve the spray intensity by increasing the water velocity, soften the shower spray by trapping air bubbles in the water stream and maintain water temperature.

New Products

Double width mop sink cabinet

5 Advance Tabco's double width mop sink cabinet features four fixed shelves, louvered side panels for ventilation, mop bucket storage area and a slanted roof for ease of cleaning. A mop holder on the sink side also secures mops in place. Available options include door locks and service faucet. A video showing the features can be seen on Advance Tabco's YouTube channel (www.youtube.com/advancetabco).
