## TOP PRODUCTS OF 2015

Based on product views at  
[www.supplyht.com](http://www.supplyht.com).

### 7 FERNOX WATER FILTER

Fernox's TF1 Delta Filter has been specifically designed to protect vital components from magnetic and nonmagnetic debris, as well as remove any trapped air in the system water. Suitable for large-volume, low-temperature heating and cooling commercial systems, the filter utilizes hydrocyclonic action to deliver contaminants to the unit's specially designed magnet assembly.

### 8 BOSCH POWER TOOLS DRILL-DRIVER

The Bosch HDH181X is a heavy-duty 18V Brute Tough 1/2" drill/driver designed to answer plumber demands for greater control, maximum power and best-built durability. The drill/driver is equipped with exclusive Bosch Active Response Technology, which reduces the risk of harmful torque reaction in bind-up situations. An integrated acceleration sensor limits the tool's rotation by detecting sudden movements and cuts off motor current, stopping the tool and making handling easier.

### 9 LENOVA FAUCET AND SINK DESIGNS

Lenova's Ozone collection faucets feature exclusive water-air patented technology that infuses ozone directly into the water through a chamber inside the spout. This process creates ozonized water that is completely safe to drink and makes an effective disinfectant with many applications. The collection includes six styles of bath or kitchen faucets to choose from including a single lever, twin lever, pullout, filtered water and ozone sensor. All are available in brushed-nickel or polished-chrome finishes.

### 10 KOHLER TOUCHLESS TOILET

Kohler's San Souci touchless flush toilet uses a sensor mounted on the inside of the tank that sets off the flush when a hand is waved over it.

Available in 10 colors.
