# GREAT DESIGN

1. The Evento slipcover by Arte Pura is made in Italy and consists of two layers of puckered, stretchy linen with batting inside and an adjustable skirt. Available in 32 luscious colors, it comes packed in a puckered bag that can be used for a laptop case because of the padding. Fits most side chairs. **Beadboard UpCountry. 979.830.8788, [www.beadboardupcountry.com](http://www.beadboardupcountry.com).**

2. "The Way Home: Reflections on American Beauty," by Jeffrey Bilhuber, photographs by William Abranowicz, takes an intimate look at twelve recent projects that embrace tradition while seamlessly accommodating the way we live today. Each chapter is devoted to a single project and includes the dreams and goals presented by the clients, and Bilhuber's approach to creating the perfect home for each. This work will prove inspirational to anyone looking to create a home as deeply personal as it is practical. **Rizzoli New York. [www.rizzoliusa.com](http://www.rizzoliusa.com).**

4. Bergamot Vert is an invigorating collection that evokes the uplifting aroma of fresh Bergamot after a summer downpour in the Mediterranean. A bright, luminous scent, Bergamot Vert blends essential oils with luscious notes of sun-drenched citrus, crisp balsamic cypress, light jasmine and a whisper of musk. **[www.thymes.com](http://www.thymes.com).
