cleaning. Shown here on the new Terrace™ pull-down faucet at Lowe's, the new finish is offered in Brushed Nickel and Stainless. www.moen.com, 800-BUY-MOEN

7. TWIST 'N' TURN With its unique Extender swivel spray, which automatically descends and retracts, American Standard's new Pekoe faucet line is available with a range of options to suit a wide range of needs. www.americanstandard.com, 800-899-2614

8. CUSTOM FUSION Well-known for stunning light fixtures, Meyda Custom Lighting introduces an innovative line of Custom Fused Glass Bowl and Vanity Combinations. The duos feature fused-glass vanity bowls in an array of hues and designs. Custom color, design and size options available. www.meyda.com, 800-222-4009

9. HIGHLY SOPHISTICATED With its appealing, high-arc styling and multifunctional design, Moen's single-handle Arbor faucet offers easy-use

temperature and flow control; a sidespray reaches areas outside the sink. Choice of Chrome and LifeShine finishes. www.moen.com, 800-BUY-MOEN

10. ARCHITECTURAL ASSETS Part of Watermark Designs' Classic Contemporary Collection, the Model CC51 faucet was inspired by legendary architect Philip Johnson. Precisely crafted from solid brass, the unique handles are molded into acentric rings, then cut and pressure-fitted back together with intricate care. www.watermark-designs.com, 718-257-2800
