steer the design of
their personal home
in a new direction

Far left: The home's unique design is all about surprising details, such as the intricate paintings and carvings on antique-style doors.

Left: A beautiful metal pendant fixture set into carved ceiling panels is a showstopper in the master bath. The freestanding tub takes advantage of views right outside the sliding doors.

Tucked away from the central living space, the master suite is a private getaway complete with a warming fireplace and separate sitting area.
