# One Sweet Life

A FORMER DUNKIN' DONUTS  
EXECUTIVE AND HIS WIFE SERVE  
ALL THE TOPPING OF FAMILY  
FUN IN THEIR FLORIDA HOME

**Master suite** Tiers of white beads on the chandelier and a collection of drawings from Trowbridge add touches of glamour to the master bedroom. Linen-covered chairs from Lee Industries provide a spot to enjoy the ocean view from the second floor. In the adjoining bathroom, the designer bought terry cloth towels from Matouk for an unusual upholstery treatment on the formal Oly chair.

**Guest bedroom** Anchored by a seaglass-colored rug, the guest bedroom is loaded with casual pattern. A bed from Hickory Chair wears slipcovers secured with carefree ties. A pair of chairs from Lee Industries, a Phillip Jeffries fern-motif wallcovering, and a beaded chandelier inject elegance and serenity, while pillows in an oversize floral pattern from Thibaut intensify the color scheme. Sculptural glass lamps top bedside tables from Vanguard.

**Staircase landing** A skylight allows sunlight to flood the tufted bench, mirror, and wall sconces.
