The new year presents inspired trends

Reveal Designs' Taliesin™ Hardware Collection The legacy of legendary architect Frank Lloyd Wright has been cleverly translated into the first-of-its kind Collection of hardware from Reveal Designs. Created in partnership between Reveal Designs and the Frank Lloyd Wright Foundation, the new Taliesin Design™ Hardware Collection adds clean, timeless lines to any hospitality application. See the entire collection at reveal-designs.com. 1

Create a Conversation Piece with ThinkGlass

Glass bars from ThinkGlass are the sleekest trend in hospitality design. Virtually maintenance-free and extremely durable they offer a remarkable blend of function and art. Made from 100% recyclable glass, their high-end appearance makes a definitive style statement. Make it as unique as your establishment, with an impressive selection of molded textures and hand-painted colors, edge treatments and LED lights to choose from that customize any design. To see the artistic creations visit thinkglass.com. 2

Side by Side Bathing with Victoria + Albert Amalfi Bathtubs

Having two bathtubs in a single bathroom is both luxurious and practical. Not only does it make a striking visual statement, but it also adds to the guest appeal of the suite. The Amalfi Bathtubs from Victoria + Albert are crafted using their ENGLISHCAST®, and made to stand up to the rigors of hospitality use. Visit vandabaths.com 3

Modern Leather Pulls from Atlas Homewares

Add instant, sophisticated style with leather creating a look that is nothing short of luxurious. In the Zanzibar Collection cool stainless and chrome knobs and pulls are wrapped in white leather creating a collection awash in luxury. A high-end megatrend, it's white-hot! See the entire collection at atlashomewares.com 4

Vedana® from BainUltra ... The Next Step in Your Quest for Wellness.

VEDANA® combines aromatherapy, ThermoTherapy®, light therapy, chromatherapy, and Sound therapy creating an invigorating in room wellness center. Drawing on the multiple benefits of these five complementary therapies, VEDANA will help guests regain a deep inner calm no matter how hectic life is on the outside. BainUltra has been focusing on personal wellness for years and believes achieving an ever-greater balance in life is everyone's deepest concern. For more information on how to create an *Insperience Bathroom™* visit BainUltra.com. 5
