**5** Duravit has partnered with Cecilie Manz for Luv, a collection of freestanding bathtubs, vanities with height-adjustable feet, and washbasins. Unified by a soft color palette and satin matte lacquer finishes, gentle lines nod to Nordic minimalism. DURAVIT.US

**6** Raffaello Galiotto designed Lithos Design's Opus collection of stone inlays, including Tangram, which uses broken down shapes to create an infinite number of marble patterns. LITHOSDESIGN.COM

**7** In collaboration with Conran + Partners, Victoria + Albert's Eldon bathtub has the curvaceous lines of a freestanding tub yet sits flush against the wall. A molded upstand allows for retrofit installation, leaving the existing flooring intact. VANDABATHS.COM

**8** Available in a variety of finishes, JANUS et Cie expands its bistro-inspired dining collection Panini with a handmade rattan option, bringing the earthy look of this renewable resource to an interior environment. JANUSETCIE.COM
