products & trends: vanities & mirrors

Hastings Tile & Bath's Boreale Mirror, inspired by the Aurora Borealis, according to the company, features colored LED backlighting and a clear glass frame. Users can select from 16 colors or set it to white via a remote control. The mirror is available in three sizes and can be installed horizontally or vertically.

Give your guests a stylish and functional place to groom

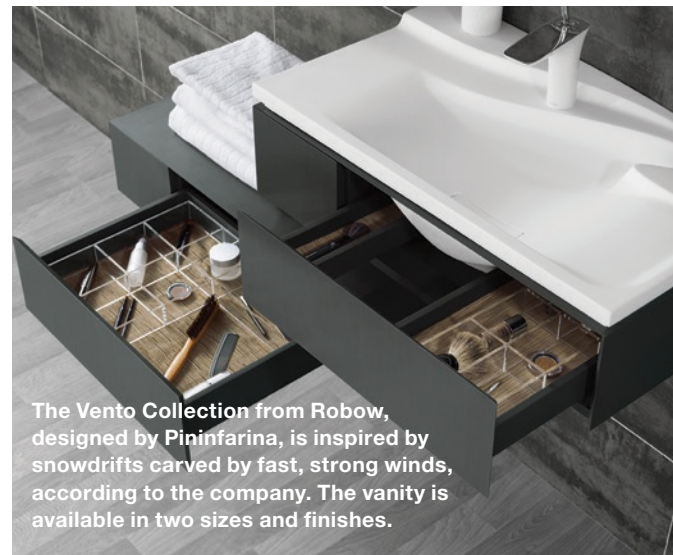

Majestic Mirror & Frame's Strand XL is an LED-backlit mirror with T5 LED Light Tube Technology. Light appears on all four sides of the frameless design, and its standard size is 28 in. x 42 in.

The Dressage Free-Standing Vanity from Graff, designed by Nespoli and Novara Design Studio, features a minimalist, sawhorse shape base that conceals all plumbing. It is available in three finishes—Canaletto walnut, oak, and wenge—and is fully customizable.

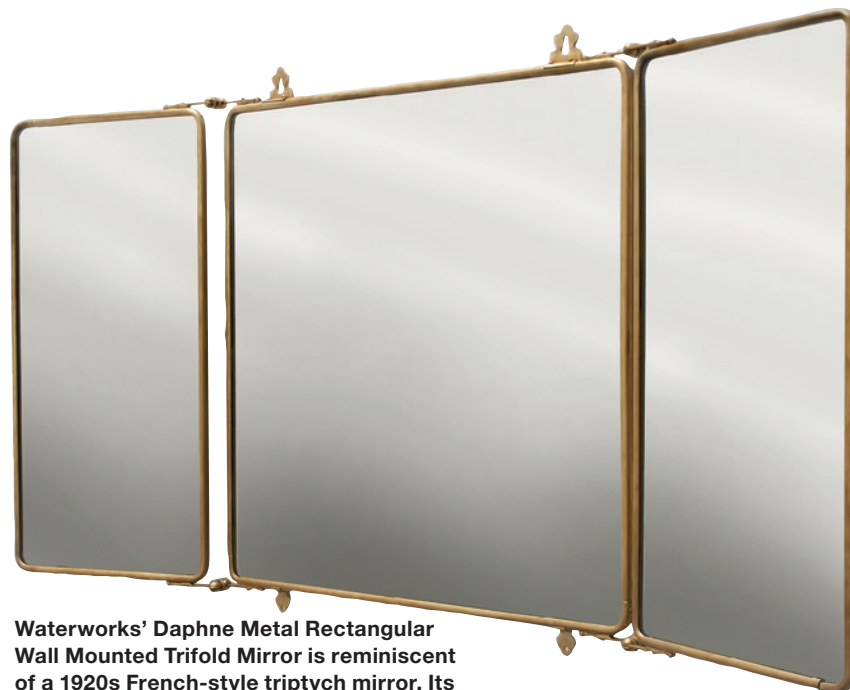

Cameo laser designs allow for any design or image to be etched in an Electric Mirror lighted mirror. The opacity of the design allows light to glow through the pattern, according to the company. There are five standard patterns, including Mojave (shown), or a custom one can be created.

The Vento Collection from Robow, designed by Pininfarina, is inspired by snowdrifts carved by fast, strong winds, according to the company. The vanity is available in two sizes and finishes.

The Armadi Art Acqua Collection of wall-mounted vanities from Topex Design are available in three series—Slim, Radius (shown) and Flat—and 32 different finishes. They are made of solid aluminum and are 100% waterproof, according to the company.

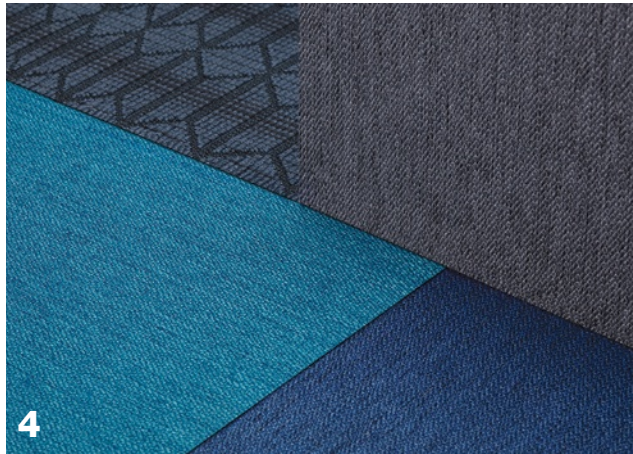

Waterworks' Daphne Metal Rectangular Wall Mounted Trifold Mirror is reminiscent of a 1920s French-style triptych mirror. Its handcrafted hinges allow the outer leaves to fold into and away from the rounded-frame center.

The Anillo Ellipse 5 Light Cascading Pendant from **2nd Ave Lighting** features five elliptical spectral halos that appear to rotate in space. It includes solar black-finished solid-steel rings, along with crystal and contrail-mist idalight diffusers.

Cotto d'Este's Limestone collection reproduces the look of limestone by using a high-resolution ink-jet printing system that produces 3D graphics, according to the company. Made of extra-thick porcelain stoneware, it comes in four colors, three finishes and three sizes.

Atlas Homewares' Angled U-Turn Collection of knobs and pulls features slightly oversized hardware with a slight downward curve in four finishes—brushed nickel, polished chrome, polished nickel and French gold. The knob measures just under an inch, while the pulls come in a range of sizes.

Teknion Textiles' Side by Side Collection features Angula, which combines a traditional épinglé construction with a large-scale graphic. Inspired by contemporary building facades, the collection was designed by Suzanne Tick for upholstery use and is offered in six colorways.

Sandler Seating's Riverstone stool was inspired by the outer surface of a river stone, according to the company. Available in 14 standard colors, the polyurethane stool was designed by Mac Stopa and is suitable for both indoor and outdoor use.

The Roosevelt bath collection by **Newport Brass** features solid brass construction and smooth ceramic valves that meet WaterSense and CalGreen standards. It comes in 27 different finishes.
