

MEET THE MODERN SIDE OF THE FURNITURE GUILD

The **nuvo** Collection is Sleek, Stylish and Built to Last!

Known for their traditional models, the Furniture Guild shows its contemporary side with the unveiling of their NUVO Bath Furniture Collection in high-gloss acrylic and textured surfaces. The same benchmarked quality and custom options they are recognized for, but with a Euro-modern edge for those that are looking for minimalist styling.

The NUVO collection of Bath Furniture is available in both wall-hung and free-standing models, with multiple options such as uplift medicine cabinets. Shown above is the Tempo in high-gloss Red Acrylic and Pallisandro Texture with Liftup medicine cabinets; and the Revo in high-gloss Black acrylic. These new models are available in Red, Black, White, Ivory, Grey and Blue Acrylic and five Textured Laminates including Pallisandro (grey), Carbone (espresso), Oregon Pine (off white), Noce Daniella (cinnamon) and Makassar (Macassar ebony). These pieces have a contemporary look, but unlike big-box competitors they are built to last, using the best available materials for the heirloom quality that Furniture Guild Customers have come to expect. The collection is complete with a spectacular list of component options such as electrical power, internal lighting, drawer dividers and Caesarstone tops with rectangle sinks. This piece is available in 24 different sizes and configurations including double sink designs at 60" and 72" wide.
