Chunky Knobs

CHUNKY KNOB COLLECTION

The new Chunky Knobs from Atlas Homewares are all about making a strong visual impact with a hip geometric design that demands attention. But they don't just look strong – they're made that way too. The wide base of the knob is nearly the same dimension as the handle, creating a solid design that is ultra-modern and very on-trend with the latest in industrial-chic design. The clean lines and simple silhouette of the knobs give the collection a versatile look that coordinates well with many different décors, making Chunky Knobs a smart choice for the kitchen, bathroom and more.

The Chunky Collection comes in round and square configurations and three sizes, ranging from 1" to 1 13/16". Finish options include brushed nickel, polished chrome and polished nickel and they retail from \$5.95 - \$12.95.

ANGLED U-TURN COLLECTION

With strong lines and a clean silhouette, the Angled U-Turn Collection has a modern flair that is bold and daring. Atlas designers threw in a touch of the unexpected with a slight downward curve that adds a whole new dimension of singular style. The "angle" element is both visually appealing and inherently practical making it easy to grasp and open doors and drawers.

The Angled U-Turn Collection is available Brushed Nickel, Polished Chrome, Polished Nickel and French Gold. The knob measures just under an inch, while the pulls come in a range of sizes from 3 inches to 11 5/16". Retail prices range from \$6.95 to \$20.90.

WIDE SQUARE & PLATFORM COLLECTIONS EXPANDED

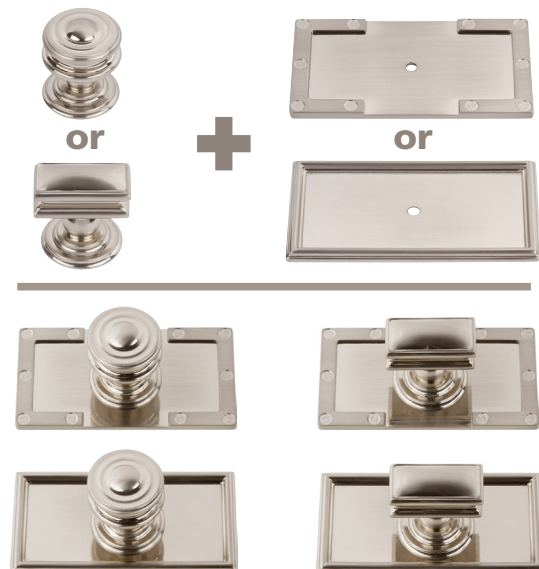

The Platform and Wide Square lines have a simple-yet-bold aesthetic that has held wide appeal among both designers and consumers, and now each collection has new options to choose from. Both sets of pulls are now available in an extended range of sizes, from 3 3/4" to an impressive 11 5/16". Considering the large scale of these pulls – a nearly 1 1/2" thick front – both collections make a "big" design impact.

The Platform and Wide Square Collections are available in three beautiful finishes – polished nickel, polished chrome and brushed nickel. Each design comes in four sizes and retail prices range from \$20.88 to 22.90.
