

A SALUTE TO MILITARY STYLE

*Atlas Homewares offers **MIX-AND-MATCH OPTIONS** with new Campaign Collection!*

Military-inspired design is an American classic. Crisp, clean and strong, it's an industrial style that offers an intriguing mix of modern and retro influences. The new Campaign Collection from Atlas Homewares is equally intriguing, particularly with its mix-and-match assemblage that allows users to put together just the right look to suit their style.

Reminiscent of classic army trunks, the Campaign Collection offers a mix of options that work together to create a cohesive, fashion-forward look. Choose a traditional rope or screw backplate design and pair it with your choice of coordinating round or rectangular knobs or pulls. But the options don't stop there! There are also drop pulls, cup pulls and bar pulls in a range of sizes. A variety of distinctive finishes add even more opportunities for customization. Choose from Brushed Nickel, Polished Chrome, and Vintage Brass. Retail prices start range from \$9.98-\$22.95.
