

URBAN + ECLECTIC

New Tom Tom Collection by Atlas Homewares offers a cool take on modern design

Catch the beat of a fresh new design from Atlas Homewares. Introducing Tom Tom, a funky urban collection of knobs and pulls that takes inspiration from the traditional tom tom drum, once used ceremoniously in ancient Indian and Chinese cultures and now a perennial favorite on the modern music scene. Tom Tom hardware is a perfect choice for those who want to inject a certain “cool factor” into their design scheme. Think of it as a look that’s bold, edgy and hip without being over the top. It’s effortlessly chic!

The Tom Tom Collection comes in two styles – a 1 ¼" round knob as wide as it is high and a long pull that comes in two lengths, 7 ½" and 10". The drum style knob is way cool to grasp and the pulls offer a wide base and 3 center-to-center options for maximum versatility. Both styles are available in a selection of five beautiful finishes, including Polished Chrome, Polished Nickel, Brushed Nickel, Matte Black and new Warm Brass.

With retail prices ranging from \$8.65 to \$24.50, the Tom Tom Collection is available at fine kitchen and bath showrooms nationwide and online at www.AtlasToTheTrade.com.
