FOR IMMEDIATE RELEASE:

## A NEW YORK STATE OF MIND.

*Barber Wilsons Introduce Thier Sleek and Sexy Manhattan Faucet.*

(December 14, 2015) Inspired by the skyline of New York City, Barber Wilsons' is pleased to introduce a new bath faucet aptly named Manhattan. The clean silhouette and geometrical shape have a classic appeal that perfectly recreates an authentic period design with today's modern conveniences.

The 3-hole Manhattan faucet is crafted from solid brass construction and comes standard with a pop-up drain. Its edgy, geometric style is a celebration of the beloved city's streamlined skyscrapers. This 'Deco Transitional' faucet is available in Polished Brass, Chrome, Nickel, a Weathered Bronze, Satin Nickel and Satin Chrome are also available. List price for the X-inch widespread Manhattan faucet is \$XXX.

With over 100 years of manufacturing excellence, Barber Wilsons has been the European staple for unrivalled quality, authentic style and the highest standards. The brand offers a full line of lavatory faucets, kitchen faucets, shower sets, tub sets, and bathroom accessories.

### ABOUT BARBER WILSONS

As a family-owned independent company with over 100 years of experience in the manufacture of water fittings, Barber Wilsons' craftsmanship has gone down in social and economic history. The company has received the ultimate accolade for excellence, quality and reliability and has been honoured to be granted a Royal Warrant of Appointment by Her Majesty the Queen as manufacturers of kitchen and bathroom taps and mixers. Barber Wilsons prides itself on not only providing the highest quality faucetry for the kitchen and bath but also on creating custom pieces, tailored to suite individual projects.
