## No Detail Too Small

*New Brass Hinges from Grandeur Hardware  
Add a Touch of Flair to Any Home*

(Denver, CO) There's something very satisfying about a solid door that moves smoothly on its hinges and closes securely – something that makes you feel cozy and safe. Grandeur Hardware has captured that “something” with its new collection of Brass Door Hinges. These exceptionally beautiful hinges provide an elegant finishing touch to your door with a variety of styles and finishes to enhance your décor. From a practical standpoint, these hinges are precisely engineered for superior performance and durability. The total effect is one of both style and substance, making Grandeur's Brass Hinges a smart choice for today's discerning buyers.

Known for their exceptional craftsmanship, Grandeur Hardware translates their expertise with door knobs to the world of hinges. Their solid brass hinges come in three sizes with square or radius corners, and with thicknesses suitable for residential or heavy-duty use. Customize your look with four different finial options, including ball, steeple, button or acorn. Eight designer finishes make it easy to create a cohesive look and feature options such as Antique Pewter, Bright Chrome, Polished Nickel and Vintage Brass. No detail is overlooked in the meticulous process that ensures a flawless finish, free of defects, pits or imperfections. Built to Grandeur's exacting standards of quality and excellence, these hinges are made to last with exceptional performance and enduring beauty.

Discover the difference that comes from quality and experience. Solid Brass Hinges by Grandeur Hardware are available at authorized showrooms nationwide and through select online retailers. For more information about this extraordinary collection and a listing of dealers, visit [www.grandeurhardware.com](http://www.grandeurhardware.com).

“Designed for the weight of your door, our Brass Door Hinges are made with solid brass, giving you a timeless look without compromising functionality.”

*Emma Kane, Marketing Director for Grandeur Hardware*

## ABOUT GRANDEUR HARDWARE

Grandeur Hardware was created 12 years ago from our deep desire to offer the finest traditional and vintage hardware in North America. In July of 2016, Grandeur Hardware went through a rebranding effort to highlight the luxurious, transitional door hardware. These products are not only made with the best materials and craftsmanship, they also have the best warranty and customer support. You can be certain that your entire ownership experience with Grandeur will be unparalleled. And, that's what we call, "Luxury for Life". The current Grandeur door hardware collection includes 10 transitional collections as well as interior sets, entry sets, deadbolts and combo packs.
