

*Malibu II Two-Piece
CEL (Compact-Elongated)
10" Rough-in and Only 28" Length*

FOR IMMEDIATE RELEASE:

A STYLISH SOLUTION FOR SMALL SPACES

New Malibu II 10" Rough-in Toilet from ICERA offers an elegant design for remodels and compact bathrooms.

(Los Angeles, CA – April 4, 2017) Small spaces need big style too. ICERA understands the challenges of outfitting a compact bathroom, especially when it comes to finding a toilet with a little pizzazz. Most toilets are designed to fit a standard 12" rough-in, but smaller bathrooms require something a little different. Introducing ICERA's Malibu II 10" rough-in toilet – a chic space-saving solution with a smart blend of form and function.

The new Malibu II 10" Rough-in Toilet is the perfect balance between simplicity, space-saving and style. This newly re-designed water closet is the perfect option for those looking to upgrade to a clean, contemporary look at a modest price point. A compact-elongated bowl and fully skirted profile create a sleek exterior, while its inner workings represent the latest in plumbing technology. With an oversize 2-1/8" trapway and 3" flush valve, clogging is virtually eliminated, while precision rim jets and a MicroGlaze™ stain-resistant, anti-microbial finish make for an easy-to-maintain bowl. Rated as a 1.28gpf high-efficiency toilet in independent third-party testing, the Malibu II offers ICERA's signature EcoQuattro™ flushing system that combines flushing power, exceptional cleanliness and minimal water usage.

Crafted of vitreous china, the Malibu II was designed to include a number of thoughtful touches, such as a soft-close and quick-release seat and an ADA-compliant chair-height bowl. The unit is available in White and Balsa, and includes a Polished Chrome solid metal trip level and color-matched plastic floor bolt covers. Other metallic finishes also available are Polished Nickel, Satin Nickel, Polished Brass and Venetian Bronze. All ICERA toilets are 100% factory flush tested and come with a limited lifetime warranty. The Malibu II is available at fine bath showrooms nationwide with retail prices starting at \$495.
