(30 x 20 7/8 x 9)

The **NovaGranite Composite Apron Front Ledge Prep Sink** offers all the function of our award-winning Ledge Series paired with the elegance of stone.

The NovaGranite Composite Sink is crafted from a proprietary mix that is 85% crushed granite as well as other organic materials and binders. The high density of the granite makes the sink extremely durable and resistant to scratches, chips and stains, and highly heat tolerant. Available in white or black, the sink's distinctive stone front brings a touch of earthy elegance to the kitchen.

Lenova takes prep sinks to the next level!

The Ledge Series Sinks offer an engineered platform ledge that converts the sink easily into a food prep center with optional stainless steel colanders, roll-up grid drainers and bamboo cutting board.

Available in both 46" and 60" models, the **Ultra Ledge Prep Sink** is the ultimate professional grade sink for residential use. It features 16 gauge 18/10 stainless steel and double-tiered tracks to accommodate more accessories and facilitate food preparations like a pro.

Shown is the 46" model, also available in 60".

Soft close drawers & drawers!

Lenova introduces an expanded **Vanity Line** of stylish and functional designs to fit every decor. Offered in eight styles with a wide range of finish options the new line features adjustable under-mount soft-close slides for drawers and 6-way adjustable soft-close hinges for doors. The vanities are constructed of - CARB (California Air Resources Board) certified, solid hardwood and finished with a 16-stage finishing process that includes an environmentally-friendly paint. The vanity tops are available in granite, marble or porcelain with one and three hole configurations. A high-quality square design porcelain sink is included with the vanities.

Choose from eight stylish Vanity models!

Today's busy cooks will appreciate the easy operation of this elegant contemporary faucet that allows water to flow with just a simple touch of your wrist or forearm on the body of the faucet.

The **TKO Touch faucet** is constructed in high quality no lead brass and is coated with a state of the art PVD finish to withstand years of use. Powered by four standard AA batteries, this faucet is exceptionally beautiful with a sleek sophisticated design and includes smart features such as an automatic shut-off and integrated sensors to indicate water temperature for your safety and comfort. The TKO is available in Brushed Nickel or Polished Chrome and includes a pull-down adjustable sprayer and a single lever handle.
