

FOR IMMEDIATE RELEASE

Permaclean Apron-Front Ledge Sink  
33" Single Bowl

# THE BEST OF ALL WORLDS

STUNNING NEW PC-LEAP SINK FROM LENOVA IS A SHOW-STOPPER & A WORKHORSE

(Hillside, IL) The kitchen sink is a high-traffic area – a space that you'd like to look nice but one that needs to be extremely functional to meet the demands of today's busy kitchens. Lenova is pleased to unveil its newest sink that combines exceptional good looks with serious hands-on practicality – introducing the **PERMACLEAN APRON FRONT LEDGE PREP SINK**. This remarkable sink was designed to work hard, yet with plenty of panache to create a stylish kitchen environment.

As part of Lenova's popular Apron Front Collection, this sink offers a modern interpretation of a classic look with sleek lines and a graceful 10" bowed front. It's available in a single or double bowl configuration, with a low divider in the double-bowl layout to accommodate large pots with long handles. One of the most notable aspects of the sink is its engineered platform ledge that allows it to easily convert to a food prep center when

accessorized with an optional stainless steel colander, roll-up grid

drainer, and bamboo cutting board. It's the perfect set-up for rinsing produce and pasta, preparing food for a party, or dealing with piles of dishes. As an added bonus, this new sink features Lenova's PermaClean drain system – a seamless design that eliminates unsightly drain lines and creates a smooth high-end look that is more sanitary and includes removable splash guards and strainer baskets.

Crafted from durable commercial-grade 304 stainless steel, the PermaClean Apron Front Ledge Prep Sink is a smart and sophisticated addition to any kitchen. Standard features include an easy-to-clean satin finish and five-side sound baffling pads. The sink retails from \$1,550 and is available in fine plumbing showrooms nationwide.
