

QUICKDRAIN USA'S STREAM WINS ADEX AWARD.

The Stylish Michael Graves Design Cover is Honored with Design Journal's Gold Award.

Stream in Oil Rubbed Bronze - by Michael Graves

(Frisco, CO. February 25, 2015) QuickDrain USA is proud to announce the achievement of a 2015 GOLD ADEX Award for their Michael Graves Design™ Stream Linear Drain Cover. The coveted Awards for Design Excellence (ADEX Awards) are bestowed annually and constitute the largest and most prestigious awards program for product design of furniture, fixtures and finishes marketed to the design trade. DESIGN JOURNAL, the international trade publication for interior designers, architects and facility managers, is the proud sponsor of the ADEX Awards.

Winning a GOLD ADEX Award this year the Stream linear drain cover features a fluid, ripple design that has made a lasting impression on the industry. Designed by world renowned architect and designer Michael Graves Design, this drain cover captures the essence of innovation and philosophies based on quality that QuickDrain is known for. With its universal appeal the Stream linear drain cover is offered in brushed and polished stainless steel, and is available in six different standard lengths. Ideal for residential, hospitality or commercial spaces, all stainless steel drains are ADA approved and easy to install.
