

## SPARKLE, SPARKLE, SHINE.

**New Valencia Collection brings the beauty of crystals to the bathroom.**

There's something so glamorous and posh about enhancing your décor with the gleam of crystals. Ruvati got it just right with their new Valencia Collection of bath accessories – a hint of glitz to add the perfect amount of sparkle while still being tasteful and refined. They had some outside help in creating this exceptional collection, consulting with renowned jewelry designers and interior decorators who know their craft and understand the Ruvati vision. And the results are simply spectacular.

Handcrafted in Spain, the Valencia line is all about shine, with polished metals perfectly complementing a Swarovski Elements crystal inlay. What a wonderful way to bring a sense of luxury into the most intimate room in your home. The Valencia Collection works well with a variety of interior design styles, including Art Deco, modern, oriental, gothic and traditional.
