

TAKING MODERN STYLE TO NEW HEIGHTS INTRODUCING THE AVANT 620.

The Furniture Guild mixes high-end design with practical functionality to create the newest addition to their 600 Series of heirloom-quality bathroom vanities. Introducing the Avant 620, a modern masterpiece with a sleek wall-mounted design and distinctive metal trim. This beautiful vanity offers abundant storage with a taller-than-average 30" height that includes two tiered storage inside plus an open shelf for towels and other bath accessories. With minimalist lines and an elegant yet contemporary vibe, Avant brings a dramatic pop of style to any luxury-minded bathroom.

Like its popular sister vanity, the Alton, the Avant 620 features a 1/2" x 2" metal detail which appears thin and subtle from the front, while offering a bolder, more substantive look when viewed from the side. Fully integrated finger pulls are also outfitted in matching metal trim. The design options for the Avant are nearly limitless, with six stunning metal finishes that can be combined with 50 panels finishes, including traditional and exotic woods, unique textured finishes, and super matte and high gloss acrylics. Standard sizes start at 24" and extend up to 72" with configurations that include single and double basins, and centered and offset placements. Custom sizing is available upon request. The interior of each vanity features the company's ingenious "drawer inside a drawer" concept to maximize storage while maintaining clean design lines. Interiors can be further customized with dividers, LED lighting and integrated outlets as desired.

Like all designs from The Furniture Guild, the Avant 620 vanity is built to exacting heirloom-quality standards using substructure construction. Each piece comes with a lifetime warranty and is made to order by a single craftsman – no assembly line construction here. The company is known for its impeccable quality and its stringent environmental standards. Each furniture piece is crafted from FSC certified hardwood and incorporates a 3/4" purebond formaldehyde-free furniture grade plywood. All finishes are GREENGUARD certified for indoor air quality, and their Guildstone countertops are made from 60% organic products.

Discover the beauty and practicality of the Avant 620 and take advantage of an opportunity to create custom piece of bathroom furniture that will last a lifetime. Prices start from \$5345.00 For more information, go to furnitureguild.com or call 1-888-479-4108 for dealer locations nationwide.
