NEW FOR ICFF FROM THE FURNITURE GUILD

The Furniture Guild is excited to present their newest collections of furniture for the bath at ICFF May 21-24 at New York City's Jacob K. Javits Convention Center in Booth 1063. ICFF is known as North America's platform for global design, mapping the newest frontier of what's best and what's next and The Furniture Guild is planning to unveil some spectacular new, and very modern in design, vanity models!

The Furniture Guild proudly unveils new the new Riva 406 vanity collection - a customizably chic and modern line. The Riva 406 is available in more than seven different configurations, including single and double basins, with sizes ranging from 24" to 96". Its wall-mounted design is perfect for smaller spaces as it conserves square footage and reduces visual clutter, while its sleek façade hides a generous interior

with full-length drawers roomy enough to organize bathroom essentials in style. Each unit comes with three drawers, and units can be joined together for expansive counter space and storage. The selection of finishes run the gamut from beautiful wood textures to dramatic lacquers.

615 Alton

Also slated to be unveiled at ICFF is the Alton vanity. Shown here in Granite Walnut with Satin Brass, a Guildstone top and matching recessed bar pulls. Alton elegantly combines metal and wood while providing two fully functional drawers for maximum storage.
