CUSTOMIZABLE CHIC

THE NEW RIVA 406 OFFERS A MULTITUDE OF CONFIGURATIONS, FINISHES AND INTERIOR OPTIONS TO MAKE IT YOUR OWN.

The Furniture Guild brings something exciting to the bathroom with the new Riva 406 vanity. With clean lines and a sophisticated modern vibe, this striking vanity offers an extraordinary flexibility in both finishes and layouts. The options are limited only by your creativity.

The Riva 406 is available in more than seven different configurations, including single and double basins, with sizes ranging from 24" to 96". Each unit comes with three drawers, and up to three units can be joined together for expansive counter space and storage. The models shown feature Guildstone tops that seamlessly integrate the sink bowl(s) with the counter top and offer options in the number, size and placement of the bowls as well as thickness of the material. The selection of finishes run the gamut from beautiful wood textures to dramatic lacquers. Choose from natural favorites like English Walnut and Chocolate Oak or more exotic finishes such as Rosewood and Black Limba. The truly daring may opt to splash out with something from the high-gloss line, such as Champagne Acrylic, Escalade Pearl or Ocean Metallic. As always, The Furniture Guild provides customers with multiple customization options so each finished piece is a spectacular one-of-a-kind masterpiece.

The Riva 406 goes beyond good looks with the solid construction and thoughtful features that are hallmarks of the Furniture Guild brand. For example, its wall-hung design is perfect for smaller spaces as it conserves square footage and reduces visual clutter. Another plus is its sleek façade that hides a generous interior with full-length drawers roomy enough to organize bathroom essentials in style.

Like all designs from The Furniture Guild, the Riva 406 vanity is built to exacting heirloom-quality standards using substructure construction. Each piece comes with a lifetime warranty and is made to order. The company is known for its impeccable quality and its stringent environmental standards. Each furniture piece is crafted from FSC certified hardwood and incorporates a 3/4" purebond formaldehyde-free furniture grade plywood substructure. All finishes are GREENGUARD certified for indoor air quality, and their Guildstone countertops are made from 60% organic products.
