# THE ULTIMATE IN VERSATILE DESIGN

## INTRODUCING THE VERSO TALL 470 COLLECTION FROM THE FURNITURE GUILD

The new Verso Tall 470 vanity collection from The Furniture Guild is stunning in its simplicity and possibilities. Imagine the ultimate blank canvas upon which to create the perfect bathroom décor.

As part of the company's modernistic NUVO Bath Furniture Collection, the Verso mixes signature heirloom quality with an edgy minimalist vibe. With a clean contemporary profile and a wall-mounted design that appears to float above the floor, the Verso series can be configured in nearly any size and style. Choose from a single or double basin design, and then narrow the parameters to customize the length of the countertop and the placement of the basin. Verso vanities are available in 50 different finishes, from exotic woods to high gloss color-rich lacquers. Customize the Guildstone countertops according to width, shape and overhang. And then there are the interior options! Crafted from solid walnut, the ample interior spaces of the Verso cabinets can be made to order with LED lighting, integrated electrical, and hair dryer storage.

Look for the Verso Tall in six different configurations with standard lengths ranging from a compact 24" to an impressive 96". More information about custom sizes, finishes and other options is available at [TheFurnitureGuild.com](http://TheFurnitureGuild.com).
