MAXIMIZE STORAGE SPACE.

Victoria + Albert's new Lavello 40 Armadio makes a distinguished storage statement.

(Ladson, SC – December 19, 2017) The latest bath furniture introduction from Victoria + Albert provides exquisite storage solutions for bathrooms with limited space. The elegant Lavello 40 Armadio wall-mounted cabinet is ideal for discreetly storing away towels, lotions and potions. And its wall-hung design makes any bathroom appear larger by keeping the floor space underneath open.

Designed by Meneghello Paoletti Associati to perfectly complement the brand's Lavello 114 or Mandello 114 vanities, the cabinet can be installed alone or as a pair on either side of a vanity. Crafted in England using time-honored techniques, it is made from the finest beech timber frames and features two adjustable internal shelves in solid cherry wood. The door is offered as either a left or right-hand opening. Available in Gloss Black, Anthracite or Gloss White, the Lavello 40 Armadio measures 15-5/8" wide by 11-5/8" deep by 32-5/8" tall.

Victoria + Albert have also introduced for the first time, a modern LED backlit wall mirror. With a classic shape, the new Loano 97 mirror features a beveled edge detail with a LED strip surrounding it. A must-have in any modern bathroom, the Loano 97 lighted mirror not only aids in the use of everyday tasks but also creates a beautiful feature in the bathroom. Available in Gloss Black and Gloss White, the mirror measures 38-1/4" long by 28-3/8" tall by 2-3/8" wide.
