**Galley**, the global restaurant blending visual and culinary arts, has reopened at Hilton West Palm Beach following a highly anticipated redesign. The midcentury modern restaurant features bold flavors through its new menu, lively mixology bar, pizza oven and wood-fire master grill, paired with a curated contemporary art collection providing the ultimate sensory experience. Located in the heart of Downtown West Palm Beach's emerging cultural district.

The artful kitchen features a mosaic-tiled Marra Forni pizza oven and oversized robata grill. Galley's new menu features farm-to-table cuisine infused with global flavors. Signature dishes include a selection of international shared plates, local mushroom pizza, grilled lamb chops bathed in a mint and jalapeño chutney, wood-fired Tomahawk steaks and mouth-watering Scottish salmon.

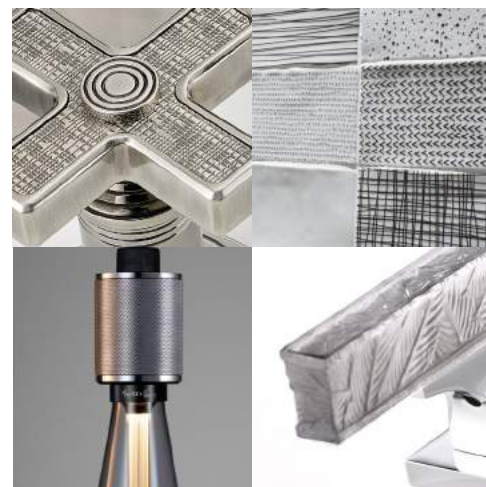

## Come and Get It

Develop an acquired taste for on-trend kitchen looks this spring. Consider the beauty of small details like polished metal knobs and drawer pulls that hold their own when paired alongside a granite dining table or graphic tilework. Organic sensibilities are everywhere, from a stem-shaped drawer handle to a crushed granite sink. Even a commercial-grade refrigerator clad in refreshing cobalt blue whets our appetite in this season of change and rejuvenation.

"I love how the dark, moody florals we've seen play out in fashion have crossed over to interiors. Kohler brought this to life with its new Artist Edition Dutchmaster sink designed in collaboration with Ashley Woodson Bailey. I'm obsessed with her wallpaper and love the sink. It's like an instant flower bomb in your bath!"
