Industrial-inspired Align from Moen Offers Contemporary Look

moen.com

With the rise of incorporating dark accents throughout the home, this popular, industrial-inspired Moen Align spring kitchen faucet is now available in a Matte Black finish. Its contemporary look complements a variety of décor choices.

Saniflo Sanistar Saves Space and Water

saniflo.com

The one-piece, wall-hung Sanistar Macerating Toilet System from SFA Saniflo Inc. combines a macerating pump and an electronically activated flushing mechanism into a single package. Measuring 18 inches wide and 20-1/2 inches deep and with no external water tank, Sanistar saves water by using only 1.1 gallons per flush. In addition to disposing of waste from the toilet, the macerator inside can also pump water away from a nearby hand basin.

MTI Baths New Freestanding Tub Models Offer a Smaller Footprint

mtibaths.com

MTI Baths offers two new tub models that will retrofit in a 66" alcove. The new Elise 230 and Alissa 231 are offered in white or biscuit, matte or gloss finish, and are available as a soaking tub or therapeutic air bath. Both are constructed of MTI's one-piece SculptureStone material, which is 100 percent solid, non-porous, and stain, mold, and mildew-resistant.
