## Victoria + Albert Introduce New Category of Washstands

[vandabaths.com](http://vandabaths.com)

Victoria + Albert has introduced a new category of washstand with brass construction, polished chrome finish and Englishcast basin top. The Candella and the Metallo are available in two sizes each (45-1/8" and 39-3/8" widths) and with 0, 1, or 3 faucet holes.

## Weil Pump's Line of PLC Panels Offers Flexibility and System Control

[wilo-usa.com](http://wilo-usa.com)

Weil Pump's line of Programmable Logic Controller (PLC) panels provides a platform for the control of most pumping systems, including commercial, industrial, process, and booster service pumps.

With advanced monitoring capabilities, multiple fail-safes, and built-in troubleshooting, the panels offer detailed metrics on pumping operation, maintenance intervals, and alarm histories for offsite management and control.
