LENOVA

The NovaGranite Composite sink is made from a mix of 85 percent granite and organic material and binders. Heat-, scratch-, and stain-resistant, the 30-inch bowl is available in either white or black and includes a ledge system that can hold cutting boards, strainers, and racks. lenovasinks.com / **CIRCLE 871**

DXV

The new AT200 LS SpaLet integrated electronic bidet toilet features a two-nozzle bidet system and an integrated air dryer. Other adjustable functions include hands-free flushing, automated lid opening and closing, and seat heating. It also features a charcoal air filter for odor control and a blue light that cleans the inside of the bowl when closed. The toilet flushes with either 0.92 gallons or 1.32 gallons. dxv.com / **CIRCLE 873**

WAC LIGHTING

The newest item in the company's dweLED collection of transitional lighting, Trio is a retro-inspired vanity and wall sconce. Three illuminated strips hover on a polished chrome backplate that can be hung vertically or horizontally. The fixture is ADA-compliant and features a correlated color temperature of 3000K and a color rendering index of 90. It's available in three lengths. wacighting.com / **CIRCLE 870**

FRANZ VIEGENER

The manufacturer has added a single-lever bath faucet to its Nerea collection. The ADA-compliant tilting handle can be moved left, right, and back to control water flow and comes with or without a tactile knurling detail. Eight finishes are available, including rose gold (shown). franzviegener.us / **CIRCLE 872**

BOSCH APPLIANCES

The brand's newest 100 Series dishwasher features quiet operation and PrecisionWash, a five-point cleaning system that uses intelligent sensors to scan the progress of the cycle. It also includes precision spray arms, three adjustable racks, filters that aid the cleaning process, and a budget-friendly \$499 starting price. The product comes in black, white, or stainless steel and has three handle options. bosch-home.com / **CIRCLE 874**
