1. CHARGING STATION

Created to accommodate the trend toward open floor plans, Legrand's Residential Wiremold USB Charger and Outlet Floor Box Kit alters the way power is distributed in a space. The round, surface-mounted box includes two tamper-resistant outlets and two USB charging ports. Recessed outlets keep cords below the surface for a cleaner appearance. Legrand's kit is available in both nickel and brass finishes. legrand.us circle No. 850

2. SLEEK TUB

Featuring a flowing silhouette, the Barcelona Collection of rimless tubs from Victoria + Albert is inspired by the architecture of its namesake city. A void space beneath the Barcelona 2 (shown) and Barcelona 3 tubs conceals waste plumbing. The Barcelona 2—the compact model of the collection—measures 66 $\frac{7}{8}$ inches long, 31 $\frac{1}{2}$ inches wide, and 16 inches deep. Tubs are available in seven different color finishes for the tub exterior. vandabaths.com circle No. 851

3. MINIMALIST VANITY

Building on The Furniture Guild's award-winning Avant design, the Avento freestanding vanity emphasizes minimalist style. Available in single- or double-basin configurations, sizes range from 24 to 72 inches long. The basin's interior is customizable with LED lighting, integrated outlets, and dividers. Finishes can be tailored to taste with six metal options and more than 50 panel options, including exotic woods and high-gloss acrylics. furnitureguild.com circle No. 852

4. ELECTRONIC BIDET

The AT200 LS SpaLet integrated electronic bidet toilet from DXV has a two-nozzle water-spray system that is completely adjustable, along with an integrated air dryer. The Air Shield deodorizer is one of two odor-control features and includes a replaceable charcoal filter. Room Refresh, the second control, uses Plasmacluster ion technology with cleaning blue light to purify the air in the room after use. dxv.com circle No. 853
