## Acorn Manufacturing

acornmfg.com

From an American manufacturer of hand-forged hardware, the mortise cylinder lockset has an easy to grasp grip and interior spindle latch, too. Designed for 1 3/4" thick doors, it measures 16" high x 2 3/8" wide. The set retails for \$907.38. (800) 835-0121

## Forbes & Lomax

forbesandlomax.com

The toggle, push-button, and dimmer light switches from this company are modeled after the elegant Art Deco models of the 1920s and '30s. Back plates are available in stainless steel, unlacquered or aged brass, clear, nickel silver, antique bronze, and verdigris. \$99 and up. (212) 486-9700

## Nostalgic Warehouse

nostalgicwarehouse.com

Accentuate a Mission, Prairie, or Craftsman escutcheon with a Waldorf milk glass knob. The opaque yet luminous octagonal knobs are based on originals popular in the 1920s. Passage and privacy sets typically retail for \$142.50. (800) 522-7336

## Notting Hill Decorative Hardware

nottinghill-usa.com

Add some old-world beauty to furniture or cabinetry with these Celtic Carnelian cabinet knobs in antique brass. They are set with semi-precious carnelian stones and measure 1 3/8" in diameter. The knobs are \$46 each. (262) 248-8890

## Signature Hardware

signaturehardware.com

Made of solid bronze with a rough, natural texture, the Bullock entry set has a thumb-latch and pull on the exterior and a lever inside. It fits doors with a standard 1 1/2" thickness. The exterior plate measures 18" high x 3" wide. Pricing begins at \$269.95. (866) 855-2284
