Top Picks

THE TOP 25 PRODUCTS WE FEATURED IN 2018

BY NIGEL F. MAYNARD /
EDITOR-IN-CHIEF

IT WAS DIFFICULT FOR OUR judges to pick the top 25 products for this year's MVP Awards, but after a year-long process they accomplished it.

After nominating about 60 products from the last five issues, the four judges from different disciplines in architecture, design, and remodeling trimmed them down to the winners on the following pages. **P**
