FALL

A FRESH APPROACH TO HOME & LIFE

← Black is coming on strong. Window and door frames, appliances, countertops, cabinetry, hardware and lighting are a few on an endless list of possibilities. This inspirational kitchen boasts interesting black design elements using soapstone countertops with integrated sink and drainboard, accordion lighting by Osram and cabinet pulls by E.R. Butler & Co. E.R. Butler & Co., erbutler.com

The Keurig of home craft brewing, the Pico brews famous craft beers at the push of a button using ready-to-brew PicoPaks, pods containing grains and hops. (Yeast is a separate pod.) Enjoy over 170 award-winning brews from across the world from Dogfish Head to Peru's Cerveceria Barbarian. More adventurous? Customize your own online! PICO BREW, picobrew.com

The supreme kitchen helper from Ruvati comes equipped for prep and clean-up. This 45-inch workstation includes two reversible mahogany cutting boards, two stainless-steel colanders (one deep, one shallow) that slide on the lower rack, stainless-steel roll-up top rack for dish drying and two stainless-steel rinse grids for the sink bottom. Removable drain basket makes clean up EASY! RUVATI, ruvati.com
