

A VINTAGE TAKE ON MODERN DESIGN

New Bradbury Collection by Atlas Homewares combines design genres.

Celebrate the perfect mix of modern and vintage design with the newest offering from Atlas Homewares. Introducing Bradbury, a sophisticated mix of knobs and pulls that walks the line between diametric design worlds and blends them into a remarkable assemblage that is polished, elegant and sleek. Inspired by retro architecture, this beautiful collection features detailed nuances that pay homage to the past, while its minimalist lines are decidedly contemporary with an industrial vibe. This amazing versatility makes Bradbury a smart choice to complement traditional cabinetry, an Art Deco office space or a modish master suite.

With a remarkable juxtaposition of curves, lines and angles, the Bradbury line pairs well with today's hottest trends but retains a classic aesthetic that assures its long-lasting appeal. The collection is available as a round 1 ¼" knob or a 3" cup pull, as well as four different lengths of traditional bar pulls ranging from 3 ¼" to 12". All styles and sizes are offered in five distinctive finishes including Warm Brass, Polished Nickel, Matte Black, Brushed Nickel and Polished Chrome.

With retail prices ranging from \$7.45 to \$40.45, the beautiful Bradbury Collection is available at fine kitchen and bath showrooms nationwide and online at www.AtlasToTheTrade.com.
