

INTRODUCING THE OSKAR COLLECTION

A wonderfully versatile line with geometric shapes that add a touch of fun to decorative hardware

Celebrate the lighter side of hardware design with the Oskar Collection by Atlas Homewares. This eye-catching line pairs circular knobs with a stylish grooved border, and square pulls with a round base to achieve a look that is modern yet charming. The new Oskar knobs and pulls look every bit as elegant on transitional cabinetry as they do on cottage, contemporary, and traditional styles.

The Oskar Collection injects a sense of playfulness into any design space with its clean lines and mix of geometric shapes. The 1 ¼ inch knob has a sculpted border that adds an extra touch of style, while the sturdy handles offer sleek lines and round bases. Look for pulls in sizes ranging from 3 inches up to 12 inches that are perfect for oversized cabinetry. Oskar is available in a selection of six beautiful finishes, including slate, polished chrome, warm brass, brushed nickel, matte black and polished nickel. With retail prices starting from \$7.75, the Oskar Collection is available online and at fine decorative hardware showrooms nationwide.
