5 **Emser Tile's** Center series celebrates the harmony of texture and shape with hexagonal, linear, and wood-inspired motifs. The neutral, large-format tiles can be applied to the wall or select surfaces. EMSER.COM

6 **American Standard's** Solid Surface bases meet the growing demand for standalone showers in hospitality settings. The minimalist design makes for an easy-to-clean surface and comes in a number of sizes with a low threshold. AMERICANSTANDARD-US.COM

7 **Victoria + Albert's** regal Pembroke tub blends crisp lines and graceful curves with a silhouette that narrows at the base to create a sense of softness. The dual-ended tub is available in seven finishes. VANDABATHS.COM

8 Finished in a glossy white, **MTI Baths' Hudson** tub is available as a soaker or air bath with 20 jets. Other amenities include a heated air blower, waterproof remote control, and toe-tap drain kit. MTIBATHS.COM
