Tile

Marble, limestone tile available through quick-ship program

Part of the Artisan Collection from **STONEIMPRESSIONS**, the Medina tiles celebrate Mediterranean culture with a contemporary twist on classic design. Available in Carrara marble or Limestone, the patterned tiles are accented with onyx or turquoise jewel tones. The tiles are sealed with a clear three-part acrylic topcoat that is durable and allows the tiles to be used in some wet spaces, backsplashes and light-traffic flooring. Two sizes—6 by 6 in. and 12 by 12 in.—are offered through the company's quick-ship program.

Glazed porcelain tile offers wood look

Porch from **EMSER TILE** features subtle wood-grain movement that flows across tile planks. Usable in myriad applications—such as interior and exterior floors, walls and fireplace façades—the glazed porcelain planks come in three sizes: 6 by 47 in., 8 by 47 in. and 12 by 47 in. Caramel- and coffee-inspired tones pair with an understated satin finish for enhanced visual depth; available colors are Porch Moon, Porch Midnight, Porch Caramel and Porch Coffee (shown).

Distressed look achieved in porcelain series

The **SOMERTILE** Retro Collection features wood-look tiles that mimic the appearance of distressed wood for a unique character with a fraction of the maintenance. Its Retro Terra 2 ¾-by 23 ½-in. Porcelain Floor and Wall Tiles are available in 12 print variations that are randomly scattered throughout each case. Crafted in Spain, the terra tile has subtle bumps and grooves to further echo the texture of real wood, as well as imitations of scuffs and spots on the small plank.

Ceramic tile collection inspired by watercolor painters

LUNADA BAY TILE draws inspiration from famous painters for its Watercolors ceramic tile collection, emphasizing their ability to produce transparent to semi-opaque colors. Along with a curated palette of colors—ranging from delicate to vibrant hues found in the artists' works—multiple glazing techniques blend to result in a medley of transparent, opaque and antiqued glazing for the ceramic tiles. Offered in two shapes, Picket provides an elongated-hexagonal shape while Post (shown) delivers a rectangular shape that is slightly larger than a subway tile.

Mosaic collection reinterprets Roman Era

WALKER ZANGER pays homage to the intricate opulence of the Roman Era with its Byzantium Collection of marble mosaic tiles. Its three designs—Heraclee, Ephesus and Palatium—celebrate deep colors and rich veins of marble with accents of silver or gold leaf to elevate an interior. The collection features marbles like the Antique Violetta, a white marble with purple veins; Agean Sea, a blue marble latticed with gray; white Thasos; deep-charcoal Storm Grey; and rich-red Borolo.
