Inspired by the design team's travels in Asia, the undulating curves and contemporary basketweave pattern of the **London Basin Company's** Aubrey basin references natural materials found on the continent. The bowl's brown and beige tones complement its satin finish. LONDONBASINCOMPANY.COM

2

Fantini's Icona Classic line is characterized by its cross-shaped handles, a fit for retro-inspired bathrooms. It comes in a series of PVD coatings, including chrome and nickel, as well as matte finishes such as gunmetal, copper, and British gold. FANTINIUSA.COM

3

The customizable MyEdition collection from **AXOR** pairs the company's low-profile faucets with seven new varieties of cover plates, including leather, wood, marble, and mirrored or black glass. Along with 13 other finishes, nearly 200 unique combinations are available. AXOR-DESIGN.COM

4

Ritmonio's DOT316 range features sharp, orthogonal lines carved in steel for a simple yet elegant aesthetic. Stainless steel, black stainless steel, and champagne stainless steel finishes are offered. RITMONIO.COM

Boasting a thin profile, **Moen's** Overhead-Mount Rainshower showerheads come in square or round chrome-finished options, all of which complement the company's shower arm and flange offerings. MOEN.COM

6

MTI Baths' Integrated Deck Design eliminates the problem of trying to clean behind freestanding tubs. The customizable partial surrounds cradle the tub while also offering mounting space for faucets. MTIBATHS.COM

7

Inspired by the look of classic motorcycles, **GRAFF's** Harley collection includes one, two, and three-hole versions of the sink and bathtub with wall, floor, and deck-mounted options also available. GRAFF-DESIGNS.COM
