GRADUATE HOTELS

6 LACAVA

lacava.com

The Linea vanity pairs a brass metal frame and wood from renewable forests with a solid surface countertop in matte or gloss. Available in both under-mount sink and vessel sink versions, sizes ranging from 24-in. to 72-in. The piece comes in 26 different wood finishes and the frame can be finished in polished/brushed stainless steel, matte black or brushed brass.

8 GROHE

grohe.us

German-engineered Atrio bath faucets offer a range of design options, including: centerset, wideset and wall-mount lavatory faucets; shower trims; freestanding and roman tub fillers; and a selection of accessories. Designers can choose from cross or lever-handle shapes. Finishes include StarLight Chrome and Brushed Nickel Infinity Finish. Lavatory faucets feature a water-efficient fix spacing flow rate of 1.2 gallons per minute, are EPA WaterSense-certified and compliant with CEC regulations in California.

10 LUXE LINEAR DRAINS

lineardrains.com

Constructed with hand-polished, 304-grade stainless steel, these shower drains can be matched with any tile and finishes and fit all standard 2-in. floor drains. The drain is available in six standard lengths ranging from 26-in. to 60-in. Custom finishes and lengths are also on offer. Grate is removable for easy cleaning.

7 MTI BATHS

mtibaths.com

The Hamilton mineral composite tub, designed by company president and chief creative officer Russell Adams, is crafted from a signature blend of high-grade minerals mined from quarries near the manufacturer's Georgia headquarters. It is then treated with a high-performance polyresin coating to produce a high-gloss white finish. Available as a soaker or thermo-air massage bath, the fixture measures 66-in. by 31-in. by 23-in. Its non-porous surface is resistant to stains, scratches and UV damage.

9 AXOR

axor-design.com

MyEdition pairs sleek, low-profile faucet and tub filler bodies, made primarily of solid brass, with six different cover plates, including leather, wood, two types of marble, and mirrored or black glass that can be customized in nearly 300 combinations. The collection delivers a micro-fine spray mist developed by parent company Hansgrohe's R+D lab in Germany.

11 WETSTYLE

wetstyle.ca

Marrying the past and present, Cloud's flared shape references a vintage feel while its flowing lines nod to the modern mood. A rounded base can be substituted for a more traditional design. The tub is crafted in WETMAR BiO, a non-slip, thermo-insulating eco-material. Available in True High Gloss or matte finish. A matching pop-up drain is also included.

12 THE FURNITURE GUILD

thefurnitureguild.com

Designed by company president Hib Johnson, the Lydia vanity is created using FSC-certified hardwood and formaldehyde-free furniture grade plywood. Handcrafted in Canton, Georgia, the vanity can be customized with an array of finish options including traditional and exotic woods, matte and high gloss finishes, and custom paint colors. Its interior configuration includes double drawer pullouts concealed behind non-sink doors in addition to a third pullout for extra storage space. The interiors of the drawers are fully furnished and offer optional glass dividers and LED lights. The unit is available as a wall-mounted unit or as a freestanding model with exposed legs and comes in sizes ranging from 24-in. to 72-in. as well as single or double bowl designs.

13

13 MRSTEAM

mrsteam.com

CT Day Spa steam generators are scaled for smaller steam rooms in resorts, medical facilities, hotels, spas and clubs. Developed for rooms no larger than 675 cu. ft., the steam generators can be occupied by no more than two people at a time. Designed, engineered and assembled in Long Island City, New York, they feature a stainless steel tank and jacket, and can be installed in most service closets, storage areas or other compact settings.

14 DURAVIT

duravit.us

Happy D.2 Plus collection, created in collaboration with sieger design, offers 11 body surfaces including wood or matte in light to dark shades. The Graphite Super Matt variant also comes with an anti-fingerprint coating. A choice of six finishes for console panels provides options for monochrome, tone-on-tone or contrasting looks. The line's first rounded mirror offers two variations for the lighted border.

15 LENOVA

lenovasinks.com

Lenova's FTS01SS Free Standing Tub Faucet is made of solid 304 stainless steel with a ceramic cartridge that provides drip-free performance. Designed to complement a freestanding bathtub, the space-saving faucet measures 40-in. by 39.375-in. by 11.4375-in. and includes a swivel spout. ●
