HOSPITALITY REINVENTED

NOVEMBER | 2019

A portrait of Christopher Nassetta, a middle-aged man with short, graying hair, smiling warmly. He is wearing a dark gray suit jacket over a light blue dress shirt and a matching light blue tie. The background is a blurred interior setting, possibly a hotel lobby or office.

DOMESTIC DESIGNS

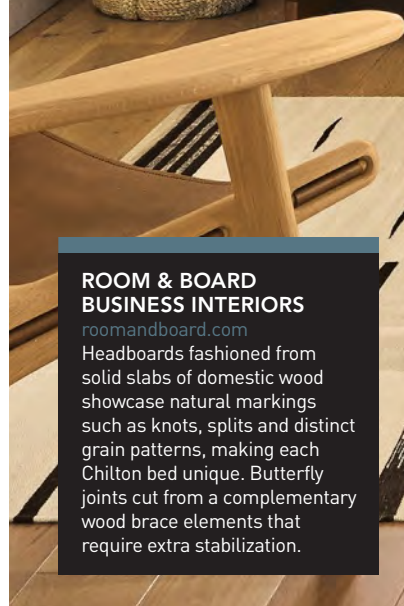

From furniture to floors and everything in between, here's what's available in your own backyard. And while these designs offer a global feel, they're constructed on a domestic scale.

BY ALICIA HOISINGTON

ROOM & BOARD BUSINESS INTERIORS

roomandboard.com

Headboards fashioned from solid slabs of domestic wood showcase natural markings such as knots, splits and distinct grain patterns, making each Chilton bed unique. Butterfly joints cut from a complementary wood brace elements that require extra stabilization.

7 MTI BATHS

mtibaths.com
Debuting at BDNV 2019, the Mallory tub features a deep bathing well and gently reclined back rests. The Sugar Hill, Georgia-constructed tub is composed of a proprietary material comprised of 75% organic natural stone combined with high-performance resins. Measuring 65.75 in. by 35.5 in. by 25.5 in., options include a soaker or an air bath.

8 THE FURNITURE GUILD

furnitureguild.com
Paxton features a solid brass or steel construction with a frame that is hand-welded and polished. Available in 25 configurations, the vanity comes in array of metal finishes and more than 50 options for the insert panels. Interior options include walnut drawers with glass dividers, glass jar inserts and integrated power/USB outlets. Built in Canton, Georgia, each piece is made to order.
