BATH & SPA

1. FANTINI | FANTINIUSA.COM

AcquaFit offers a double rain jet with 170 anti-limescale nozzles, 25 of which are grouped in the center to boost function. The square or rectangular showerhead can be installed recessed, semi-recessed, or surface mounted. The AcquaFit Dream offers additional features including white light and chromotherapy in four colors.

2. ICERA | ICERAUSA.COM

The Muse vanity allows designers an opportunity to add color to the bathroom. Its available finishes include traditional shades such as walnut brown, matte white, and matte black, as well as more unexpected options like ocean gray, gloss white, and blue. Satin brass trim makes a statement.

3. ISENBURG | ISENBURGFaucets.COM

The Serie 240 collection offers 15 coordinating fixtures for the tub, shower, and sink. Options include wall- or deck-mounted sink faucets, a freestanding tub filler, and thermostatic shower valves with matching components. Graphic cross handles are available in traditional metal as well as concrete and wood options.

4. JACLO | JACLO.COM

JACLO adds 10 new vibrant colors to its existing 26 finishes. The subtle combination of Mint Green against Matte Black (shown) is a clean and modern design with a playful accent.

5. WATERMARK DESIGNS | WATERMARK-DESIGNS.COM

The Lily faucet collection offers three distinct designs: a dimple pattern, an ogee or mermaid scale look, or a more traditional diamond arrangement. Faucets are double-machined and double-plated to achieve the finishes.
