EXPERIENTIAL APPROACH

Malcolm Berg, Founder, EoA Group

CÁSSANDRA FROM MTI BATHS
MTIBATHS.COM

This freestanding tub is available in white or biscuit, soft matte or hand-polished deep gloss finish, and offered as a soaker or air bath. Constructed using SculptureStone that is 70 percent organic stone combined with high-performance resins.

INTERLOCK COLLECTION FROM NOURISON
NOURISON.COM/HOSPITALITY

Hand tufted with a loop pile for softness and durability, these area rugs feature a unique space-dyeing technique for depth and dimension. Urban-inspired palettes are perfect for both residential and commercial spaces.

GOA CB FROM FENABEL
FENABEL.PT

Designed by Francesc Rifé Studio for the Senta line, the armchair's duality is defined through wooden bodies and comfortable and enveloping textures.

JUMBO FROM OUTDESIGN GROUP
OUTDESIGNGROUP.COM

The lounge chair is wide with a hand-woven rope backrest and wings that mimic elephant ears. The chair frame is made of powdercoated aluminum in a teak woodgrain finish.

AZAL ARMCHAIR FROM OXFORD GARDEN
OXFORDGARDEN.COM

Smooth curves and crisp angles converge on a frame of powdercoated aluminum. An integrated cushioned seat of reticulated foam fully upholstered in composite sling and reinforced by a high-tenacity PET fiber latticework bottom resists sagging.

VINYL ZEBRAWOOD FROM PHILLIP JEFFRIES | **PHILLIPJEFFRIES.COM**

Rich and rustic, the look of multicolor wood planks with a bold abstract stripe for a touch of graphic drama inspires this wallcovering. Available in nine colorways.
